Let us work together to reach the world for Christ

Global Christian Schools Network Integrating Mission in Christian Schools Seminar

in Association with
New Hope International Limited

Global Christian Schools Network

The first Global Christian Schools Conference was held in Hong Kong in 2006. It was attended by leaders from Christian schools who are committed to missions. It is planned to hold the second conference of that Interest Group in Guangzhou, China in 2008.

New Hope International

New Hope International Limited (NHI) is a network of Biblically based Christian schools and tertiary institutes in Australia and in other parts of the world who work together for mutual encouragement and support.

NHI seeks to make a difference in the poorer developing countries by encouraging support from schools in Australia and New Zealand and through its training programs which are staffed by volunteers from schools in Australia and New Zealand. Its Web-page provides up to date news about what is happening.

New Hope International will hold its AGM at 4.30 pm in the break between the Seminar and the Seminar Dinner. All are welcome to attend.
